

TOOL LIST

CONSTRUCTION TECHNOLOGY

We will provide the first set of safety glasses and one hard hat for each of you.

THE FOLLOWING TOOLS ARE YOUR RESPONSIBILITY TO BRING EVERY DAY.

- A good attitude!
- Rubber boots (something to pour concrete in or work in mud)
- Heavy winter coat (ex. Truwerk, Carhartt or similar)
- Heavy coveralls – full body OR bib overalls (ex. Truwerk, Carhartt or similar)
- Work gloves
- Hammer
- Tape Measure (25' or greater)
- PENCILS
- Utility Knife
- Chalk Line
- Pliers
- Tool Belt (cloth is ok)
- Speed Square / Rapid Square
- Padlock for locker (if you want to store your tools in the lockers)
- Screw Driver (multi bit is fine, or a Philips #2 and a straight)
- 1 ½ three ring notebook (for storing notes and handouts)
