

2021-2022 Verification Worksheet Dependent Student

V5

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

C. Dependent Student's Income Information to be Verified

1. TAX RETURN FILERS - Important Note: If the student filed, or will file, an amended 2019 IRS tax return, the student must contact the financial aid administrator before completing this section.

Instructions: Complete this section if the student filed or will file a 2019 IRS income tax return(s). *The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov.* In most cases, no further documentation is needed to verify 2019 IRS income tax return information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed.

In most cases, for electronic filers, 2019 IRS income tax return information for the IRS DRT is available within 2–3 weeks after the 2019 electronic IRS income tax return has been accepted by the IRS. Generally, for filers of 2019 paper IRS income tax returns, the 2019 IRS income tax return information is available for the IRS DRT within 8–11 weeks after the 2019 paper IRS income tax return has been received by the IRS. Contact the financial aid office if more information is needed about using the IRS DRT.

Check the box that applies:

- The student has used the IRS DRT in *FAFSA on the Web* to transfer 2019 IRS income tax return information into the student's FAFSA.
- The student has not yet used the IRS DRT in *FAFSA on the Web*, but will use the tool to transfer 2019 IRS income tax return information into the student's FAFSA once the 2019 IRS income tax return has been filed.
- The student is unable or chooses not to use the IRS DRT in *FAFSA on the Web*, and instead will submit to the school a **2019 IRS Tax Return Transcript** – not a photocopy of the income tax return. IRS Tax Return Transcripts are obtained by either 1) retrieving online, 2) ordering online, or 3) calling 1-800-908-9946 to order. If retrieving or ordering online, go to www.IRS.gov. Under The tools column, click "Get Transcript for My Records". Select either Get Transcript Online or Get Transcript by Mail. If you select online, follow the instructions to create an account to retrieve your **2019 Tax Return Transcript**. If you order it to be sent by mail, make sure you order the **2019 Tax Return Transcript**. *You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when the 2019 IRS tax return was filed). It takes up to two weeks for the IRS income information to be available for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers.*
