

2021-2022 Verification Worksheet Independent Student

V5

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

C. Independent Student's Income Information to be Verified

1. TAX RETURN FILERS - Important Note: If you (or your spouse, if married) filed, or will file, an amended 2019 IRS tax return, the student must contact the financial aid administrator before completing this section.

Instructions: Complete this section if you, the student filed or will file a 2019 IRS income tax return(s). *The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov.* In most cases, no further documentation is needed to verify 2019 IRS income tax return information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed.

In most cases, for electronic filers, 2019 IRS income tax return information for the IRS DRT is available within 2–3 weeks after the 2019 electronic IRS income tax return has been accepted by the IRS. Generally, for filers of 2019 paper IRS income tax returns, the 2019 IRS income tax return information is available for the IRS DRT within 8–11 weeks after the 2019 paper IRS income tax return has been received by the IRS. Contact the financial aid office if more information is needed about using the IRS DRT.

Check the box that applies:

- I, the student have used the IRS DRT in *FAFSA on the Web* to transfer my (and, if married, my spouse's) 2019 IRS income tax return information into my FAFSA.
- I, the student have not yet used the IRS DRT in *FAFSA on the Web*, but will use the tool to transfer my (and, if married, my spouse's) 2019 IRS income tax return information into the student's FAFSA once the 2019 IRS income tax return has been filed. (Iowa Lakes Community College cannot complete the verification process until your (and, if married, your spouse's) IRS information has been transferred into your FAFSA.
- The student is unable or chooses not to use the IRS DRT in *FAFSA on the Web*, and instead will submit to the school a **2019 IRS Tax Return Transcript** – not a photocopy of the income tax return. IRS Tax Return Transcripts are obtained by either 1) retrieving online, 2) ordering online, or 3) calling 1-800-908-9946 to order. If retrieving or ordering online, go to www.IRS.gov. Under The tools column, click "Get Transcript for My Records". Select either Get Transcript Online or Get Transcript by Mail. If you select online, follow the instructions to create an account to retrieve your **2019 Tax Return Transcript**. If you order it to be sent by mail, make sure you order the **2019 Tax Return Transcript**. *You will need your Social Security Number, date of birth, and the address on file with the IRS (normally this will be the address used when the 2019 IRS tax return was filed). It takes up to two weeks for the IRS income information to be available for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers.*

If the student and spouse filed separate 2019 IRS Income tax returns, 2019 IRS Tax Return Transcripts must be provided for each.

___ Check here if a **2019 IRS Tax Return Transcript(s)** is provided.

___ Check here if a **2019 IRS Tax Return Transcript(s)** will be provided later. (Verification cannot be completed until IRS tax return transcript has been submitted to the college)

2. TAX RETURN NONFILERS

- The student (and, if married, the student's spouse) was not employed and had no income earned from work in 2019.
- The student (and/or the student's spouse if married) was employed in 2019 and has listed below the names of all employers, the amount earned from each employer in 2019, and whether an IRS W-2 form is provided. [Provide copies of all 2019 IRS W-2 forms issued to the student and spouse by their employers]. List every employer even if the employer did not issue an IRS W-2 form. If more space is needed, provide a separate page with the student's name and ID number at the top.
