The Paying Agent, Registrar and the Issuer have no responsibility or obligation to any Participant or person claiming a beneficial ownership interest in the Bonds under or through DTC or any Participant with respect to the accuracy of records maintained by DTC or any Participant; with respect to the payment by DTC or Participant of an amount of principal or redemption price of or interest on the Bonds; with respect to any notice given to owners of Bonds under the Resolution; with respect to the person

selected to receive payment in the event of a partial redemption of the Bonds, or a consent given or other action taken by DTC as registered owner of the Bonds. The Paying Agent and Registrar shall pay all principal of holders other than Cede & Co., its successor as nominee and premium, if any, and interest on the Bonds only to Cede & Co. in accordance with the Representation Letter, and all payments are valid and effective to fully satisfy and discharge the Issuer's obligations with respect to the principal of and premium, if any, and interest on the Bonds to the extent of the sum paid. DTC must receive an authenticated Bond for each separate stated maturity evidencing the obligation of the Issuer to make payments of principal of and premium, if any, and interest. Upon delivery by DTC to the Paying Agent and Registrar of written notice that DTC has determined to substitute a new nominee in place of Cede & Co., the Bonds will be transferable to the new nominee in accordance with this Section.

Section 7.3. In the event the Issuer determines that it is in the best interest of the Beneficial Owners that they be able to obtain Bond certificates, the Issuer may notify DTC and the Paying Agent and Registrar, whereupon DTC will notify the Participants, of the availability through DTC of Bond certificates. The Bonds will be transferable in accordance with this Section. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the Issuer and the Paying Agent and Registrar and discharging its responsibilities under applicable law. In this event, the Bonds will be transferable in accordance with this Section.

Section 7.4. Notwithstanding any other provision of the Resolution to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of and premium, if any, and interest on the Bond and all notices must be made and given, respectively to DTC as provided in the Representation letter.

Section 7.5. In connection with any notice or other communication to be provided to Bondholders by the Issuer or the Paying Agent and Registrar with respect to a consent or other action

to be taken by Bondholders, the Issuer or the Paying Agent and Registrar, as the case may be, shall establish a record date for the consent or other action and give DTC notice of the record date not less than 15 calendar days in advance of the record date to the extent possible. Notice to DTC must be given only when DTC is the sole Bondholder.

Section 7.6. The execution and delivery of the Representation Letter to DTC by the Issuer is ratified and confirmed. The Representation Letter is on file with DTC and sets forth certain matters with respect to, among other things, notices, consents and approvals by Bondholders and payments on the Bonds.

Section 7.7. In the event that a transfer or exchange of the Bonds is permitted under this Section, the transfer or exchange may be accomplished upon receipt by the Registrar from the registered owners of the Bonds to be transferred or exchanged and appropriate instruments of transfer. In the event Bond certificates are issued to for DTC as holder of all the Bonds, or other securities depository as holder of all the Bonds, the provisions of the Resolution apply to, among other things, the printing of certificates and the method or payment of principal of and interest on the certificates.

Section 7.8. The officers of the Issuer are authorized and directed to prepare and furnish to the purchaser, and to the attorneys approving the legality of Bonds, certified copies of proceedings, ordinances, resolutions and records and all certificates and affidavits and other instruments as may be required to evidence the legality and marketability of the bonds, and all certified copies, certificates, affidavits and other instruments constitute representations of the Issuer as to the correctness of all stated or recited facts.

Section 8. Registration of Bonds; Appointment of Registrar; Transfer; Ownership; Delivery; and Cancellation.

(a) **Registration.** The ownership of Bonds may be transferred only by the making of an entry upon the books kept for the registration and transfer of ownership of the Bonds, and in no other way. Bankers Trust Company is hereby appointed as Bond Registrar under the terms of this Resolution and under the provisions of a

separate agreement with the Issuer filed herewith which is made a part hereof by this reference. Registrar shall maintain the books of the Issuer for the registration of ownership of the Bonds for the payment of principal of and interest on the Bonds as provided in this Resolution. All Bonds shall be negotiable as provided in Article 8 of the Uniform Commercial Code subject to the provisions for registration and transfer contained in the Bonds and in this Resolution.

(b) Transfer. The ownership of any Bond may be transferred only upon the books kept for the registration and transfer of Bonds and only upon surrender of the Bond at the office of the Registrar together with an assignment duly executed by the holder or his duly authorized attorney in fact in such form as shall be satisfactory to the Registrar, along with the address and social security number or federal employer identification number of such transferee (or, if registration is to be made in the name of multiple individuals, of all such transferees). In the event that the address of the registered owner of a Bond (other than a registered owner which is the nominee of the broker or dealer in question) is that of a broker or dealer, there must be disclosed on the registration books the information pertaining to the registered owner required above. Upon the transfer of any such Bond, a new fully registered Bond, of any denomination or denominations permitted by this Resolution in aggregate principal amount equal to the unmatured and unredeemed principal amount of such transferred fully registered Bond, and bearing interest at the same rate and maturing on the same date or dates shall be delivered by the Registrar.

(c) Registration of Transferred Bonds. In all cases of the transfer of the Bonds, the Registrar shall register the Bonds at the earliest practicable time, on the registration books in accordance with the provisions of this Resolution.

(d) Ownership. The person in whose name the ownership shall be registered on the registration books of the Registrar shall be deemed as the absolute owner for all purposes, and payment of or on account of the principal of and interest on any such Bonds and the premium, if any, shall be made only to or upon the order of the registered owner or his legal representative. All such payments shall

be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum or sums so paid.

(e) **Cancellation.** All Bonds which have been redeemed shall not be reissued but shall be cancelled by the Registrar. All Bonds which are cancelled by the Registrar shall be destroyed and a certificate of the destruction shall be furnished promptly to the Issuer; provided that if the Issuer shall so direct, the Registrar shall forward the cancelled Bonds to the Issuer.

(f) **Non-Presentation of Bonds.** If a payment check representing payment of interest on the Bonds is returned to the Paying Agent or if any Bond is not presented for payment of principal and/or interest at the maturity or redemption date, and funds sufficient to pay the principal of and interest on Bonds has been made available to the Paying Agent for the benefit of the owner of such Bond, all liability of the Issuer to the owner for the principal of and interest on the Bonds shall cease, terminate and be completely discharged, and it shall then be the duty of the Paying Agent to hold the funds, without liability for interest thereon, for the benefit of the owner of such Bonds who shall be restricted exclusively to the funds for any claim of whatever nature on his part under this Resolution or on, or with respect to, the principal of and interest on the Bonds. The Paying Agent's obligation to hold such funds shall continue for a period of two years and six months following the date on which the interest and/or principal became due, whether at maturity, or at the date fixed for redemption thereof, or otherwise, at which time the Paying Agent, shall surrender any remaining funds to the Issuer, whereupon any claim under this Resolution by the Owners of the Bonds shall be made upon the Issuer.

(g) **Registration and Transfer Fees.** The Registrar may furnish to each owner, at the Issuer's expense, one Bond for each annual maturity. The Registrar shall furnish additional Bonds in lesser denominations (but not less than the minimum denomination) to an owner who so requests.

Section 9. Reissuance of Mutilated, Destroyed, Stolen or Lost Bonds.
In case any outstanding Bond shall become mutilated or be destroyed, stolen or lost, the Issuer shall at the request of Registrar authenticate and deliver a new Bond of like tenor and amount as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond to Registrar, upon surrender of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, upon filing with the Registrar evidence satisfactory to the Registrar and Issuer that such Bond has been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Registrar and Issuer with satisfactory indemnity and complying with any other reasonable regulations that the Issuer or its agent may prescribe and paying any expenses of the Issuer.

Section 10. Record Date. Payments of principal and interest, other than upon full redemption, made in respect of any Bond, shall be made to the registered holder or to their designated agent who appears on the books of the Registrar on the 15th day of the month preceding the payment date. Such payments shall fully discharge the obligations of the Issuer in respect of such Bonds to the extent of the payments so made. Upon receipt of the final payment of principal, the holder of the Certificate shall surrender the Certificate to the Paying Agent.

Section 11. Execution, Authentication and Delivery of the Bonds.
Upon the adoption of this Resolution, the President and Secretary of the Governing Body shall execute the Bonds by their manual or authorized signature and deliver the Bonds to the Registrar, who shall authenticate the Bonds and deliver the Bonds to the Purchaser. No Bond shall be valid or obligatory for any purpose or shall be entitled to any right or benefit of this Resolution unless the Registrar shall endorse and execute thereon a Certificate of Authentication substantially in the form of the Certificate herein set forth. Such Certificate shall be conclusive evidence that the authenticated Bond has been issued under this Resolution and that the holder is entitled to the benefits of this Resolution.

No Bonds shall be authenticated and delivered by the Registrar unless the following have been provided:

1. A certified copy of the Resolution of Issuer authorizing the issuance of the Bonds;

**Section 13. Right to Name Substitute Paying Agent or Registrar.
Issuer reserves the right to name a substitute, successor Registrar or Paying Agent upon giving written notice to each registered bondholder.**

Section 14. Application of Revenues. From and after the delivery of any Bonds, and as long as any of the Bonds or Parity Bonds shall be outstanding and unpaid either as to principal or as to interest, or until all of the Bonds and Parity Bonds then outstanding shall have been discharged and satisfied in the manner provided in this Resolution, the Revenue Fund containing the revenues of the Project shall be deposited as collected in a

fund to be known as the 2018-1 Multiple Revenue Fund (the "Revenue Fund") and shall be disbursed in the order following:

a. **Sinking Fund.** There is hereby established and shall be maintained a special fund from which interest and principal on the Bonds will be paid. The fund shall be known as the 2018-1 Multiple Project, Revenue Principal and Interest Fund (the "Sinking Fund"). The amount to be deposited in the Sinking Fund in any year shall be an amount equal to the interest and principal coming due on the Bonds during the fiscal year. Money shall be first deposited into the Interest Account of the Sinking Fund in an amount equal to the interest falling due in each fiscal year.

Money shall next be deposited into the Principal Account of the Sinking Fund in an amount equal to the principal falling due in each fiscal year. Money in the Sinking Fund shall be used solely for the purpose of paying principal of and interest on the Bonds and Parity Bonds, as the same shall become due and payable.

b. **Capitalized Reserve Fund.** There is hereby established a debt service reserve fund. Such fund shall be known as the 2018-1 Multiple Project, Revenue Debt Service Reserve Fund (the "Reserve Fund"). Money in the Reserve Fund shall be used solely for the purpose of paying principal at maturity or interest on the Bonds when insufficient money shall be available in the Sinking Fund.

c. **Subordinate Obligations.** Revenues of the Project not required for the Sinking Fund or the Reserve Fund may be used to pay principal of and interest on (including reasonable reserves therefor) any other obligations which by their terms shall be payable from the revenues of the Project, but subordinate to the Bonds and Parity Bonds, and which have been issued for the purposes of the Project.

d. **Surplus Revenue.** All revenues thereafter remaining shall be deposited to remedy any deficiency in any of the funds created by this Resolution, may be used to pay or reimburse the Issuer or the Employer for other loans, moneys advanced to or indebtedness incurred to finance or refinance in whole or in part the Project, as permitted by law, or may be used to pay or redeem the Bonds or Parity Bonds in whole or in part, or for any lawful purpose.

The provisions of this Section shall not be construed to require the Issuer to maintain separate bank accounts for the funds created by this Section; except the Sinking Fund and the Reserve Fund shall be maintained in a separate account but may be invested in conjunction with other funds of the Issuer but designated as a trust fund on the books and records of the Issuer.

Section 15. Application of Bond Proceeds. Proceeds of the Bonds shall be applied as follows:

- An amount equal to accrued interest on the Bonds shall be credited to the Sinking Fund for application to the first interest payment on the Bonds.**
- An amount equal to \$205,168.85 shall be credited to the Reserve Fund.**
- An amount equal to \$428,424.00 shall be credited to the Costs of Issuance and Administration Fund which is hereby created and expended for the costs of issuance of the Bonds (including but not limited to underwriting, accounting and legal fees, printing costs, Trustee, Registrar, Paying Agent and Agency fees and expenses; other fees relating to the issuance of the Bonds and administration of the Project).**
- An amount equal to \$1,308,336.00 shall be credited to the Project Fund which is hereby created and expended for the purposes of the Project.**
- Any amounts on hand in the Project Fund shall be available for the payment of the principal of or interest on the Bonds at any time that other funds shall be insufficient for that purpose. Any balance on hand in the Project Fund and not immediately required for its purposes may be invested not inconsistent with limitations provided by law or this Resolution.**

Moneys on hand in the Project Fund and the Revenue Fund and all of the subaccounts of the Revenue Fund may be invested only in Permitted Investments or deposited in insured deposits of financial institutions which are members of the Federal Deposit Insurance Corporation ("FDIC") or its

equivalent successor. All deposits exceeding the maximum amount insured from time to time by the FDIC or its equivalent successor in any one financial institution shall be continuously secured by a valid pledge of direct obligations of the United States Government having an equivalent market value. All such interim investments shall mature before the date on which the moneys are required for the purposes for which the fund was created or may otherwise be used pursuant to this Resolution.

All income derived from such investments shall be deposited in the Revenue Fund and shall be regarded as revenues of the Project. Such investments shall at any time necessary be liquidated and the proceeds thereof applied to the purpose for which the respective fund was created.

Section 16. Disposition of Bond Proceeds. The proceeds from the issuance and sale of the Bonds shall be applied to payment of costs of the Project and costs of issuance of the Bonds or to pay the principal of or interest on the Bonds when due and for no other purpose.

Disbursements for payment of costs of the Project shall be made by the Treasurer upon receipt of vouchers approved by the Governing Body.

Section 17. Covenants Regarding the Operation of the Project. The Issuer hereby covenants and agrees with each and every holder of the Bonds and Parity Bonds:

- a. **Maintenance in Force.** The Issuer will maintain the Project in force and will annually cause the taxes and other revenues to be levied and applied as provided in this Resolution.
- b. **Accounting and Audits.** The Issuer will cause to be kept proper books and accounts adapted to the Project and Agreements in accordance with generally accepted accounting practices, and will cause the books and accounts to be audited on an annual basis by an independent auditor which may be the auditor of the State of Iowa
- c. **State Laws.** That the Issuer will faithfully and punctually perform all duties with reference to the Project required by the Constitution and laws of the State of Iowa, and will segregate the revenues of the Project and apply said revenues to the funds specified in this Resolution.

Section 18. Remedies of Bondholders. Except as herein expressly limited the holders of the Bonds and Parity Bonds shall have and possess all the rights of action and remedies afforded by the common law, the Constitution and statutes of the State of Iowa, and of the United States of America, for the enforcement of payment of their Bonds, and of the pledge of the revenues made hereunder, and of all covenants of the Issuer hereunder.

Section 19. Prior Lien and Parity Bonds. The Issuer will issue no other Bonds or obligations of any kind or nature payable from or enjoying a lien or claim on the property or revenues of the Project having priority over the Bonds or Parity Bonds.

Additional Bonds may be issued on a parity and equality of rank with the Bonds with respect to the lien and claim of such additional Bonds to the revenues of the Project and the money on deposit in the funds adopted by this Resolution, for the following purposes and under the following conditions, but not otherwise:

- a. For the purpose of refunding any of the Bonds or Parity Bonds which have matured or which shall mature not later than three months after the date of delivery of such refunding Bonds and for the payment of which there shall be insufficient money in the Sinking Fund and the Reserve Fund;**
- b. For the purpose of the Project or additional projects, so long as Net Revenues are sufficient to secure the Bonds and additional bonds. Additional bonds must be payable as to principal and as to interest on the same month and day as the bonds herein authorized.**

Section 20. Discharge and Satisfaction of Bonds. The covenants, liens and pledges entered into, created or imposed pursuant to this Resolution may be fully discharged and satisfied with respect to the Bonds and Parity Bonds, or any of them, in any one or more of the following ways:

- a. By paying the Bonds or Parity Bonds when the same shall become due and payable; or**
- b. By depositing in trust with the Treasurer, or with a corporate trustee designated by the Governing Body for the payment of the obligations and irrevocably appropriated exclusively to that purpose**

an amount in cash or direct obligations of the United States the maturities and yield of which shall be sufficient to retire at maturity, or by redemption prior to maturity on any designated date upon which the obligations may be redeemed, all of the obligations outstanding at the time, together with the interest thereon to maturity or to the designated redemption date, premiums thereon, if any that may be payable on the redemption of the same; provided that proper notice of redemption of all the obligations to be redeemed shall have been previously published or provisions shall have been made for such publication.

Upon such payment or deposit of money or securities, or both, in the amount and manner provided by this Section, all liability of the Issuer with respect to the Bonds or Parity Bonds shall cease, determine and be completely discharged, and the holders thereof shall be entitled only to payment out of money or securities so deposited.

Section 21. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the Issuer and the owner or owners of the Bonds and Parity Bonds, and after the issuance of any of the Bonds no change, variation or alteration of any kind in the provisions of this Resolution shall be made in any manner, except as provided in the next succeeding Section, until such time as all of the Bonds and Parity Bonds, and interest due thereon, shall have been satisfied and discharged as provided in this Resolution.

Section 22. Amendment of Resolution Without Consent. The Issuer may, without the consent of or notice to any of the holders of the Bonds and Parity Bonds, amend or supplement this Resolution for any one or more of the following purposes:

- a. to cure any ambiguity, defect, omission or inconsistent provision in this Resolution or in the Bonds or Parity Bonds; or to comply with any application, provision of law or regulation of federal or state agencies; provided, however, that such action shall not materially adversely affect the interests of the holders of the bonds or Parity Bonds;**
- b. to change the terms or provisions of this Resolution to the extent necessary to prevent the interest on the Bonds or Parity Bonds from**

being includable within the gross income of the holders thereof for federal income tax purposes;

c. to grant to or confer upon the holders of the Bonds or Parity Bonds any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the holders of the Bonds;

d. to add to the covenants and agreements of the Issuer contained in this Resolution other covenants and agreements of, or conditions or restrictions upon, the Issuer or to surrender or eliminate any right or power reserved to or conferred upon the Issuer in this Resolution; or

e. to subject to the lien and pledge of this Resolution additional pledged revenues as may be permitted by law.

Section 23. Amendment of Resolution Requiring Consent. This Resolution may be amended from time to time if such amendment has been consented to by holders of not less than two-thirds in principal amount of the outstanding Bonds and Parity Bonds (not including any Bonds which may then be held or owned by or for the account of the Issuer, but including such Refunding Bonds issued for the purpose of refunding any of the Bonds if the Refunding Bonds are not owned by the Issuer); but this Resolution may not be amended in such manner as to:

a. Make any change in the maturity or interest rate of the Bonds, or modify the terms of payment of principal of or interest on the Bonds or impose any conditions with respect to such payment;

b. Materially affect the rights of the holders of less than all of the outstanding Bonds and Parity Bonds; and

c. Reduce the percentage of the principal amount of Bonds, the consent of the holders of which is required to effect a further amendment.

Whenever the Issuer proposes to amend this Resolution under the provisions of this Section, it shall file notice of the proposed amendment with the Original Purchaser and publish notice one time in a newspaper having

general circulation in the State of Iowa, or a financial newspaper or journal published in Chicago, Illinois. The notice shall briefly set forth the nature of the proposed amendment and shall state that a copy of the proposed amendatory Resolution is on file in the office of the Secretary of the Governing Body.

If within one year from the date of the publication of the notice an instrument is filed with the Secretary of the Governing Body executed by the holders of at least two-thirds in aggregate principal amount of the outstanding Bonds referring to the proposed amendatory Resolution described in the notice and specifically consenting to and approving the adoption thereof, the Governing Body of the Issuer may adopt the amendatory Resolution and the Resolution shall become effective and binding upon the holders of all of the Bonds and Parity Bonds.

Any consent given by the holder of a Bond pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of the instrument evidencing such consent and shall be conclusive and binding upon all future holders of the same Bond during such period. Consent may be revoked at any time after six months from the date of the instrument by the holder who gave such consent or by a successor in title by filing notice of revocation with the Secretary of the Governing Body.

The fact and date of the execution of any instrument under the provisions of this Section may be proved by the certificate of any officer in any jurisdiction who by the laws thereof is authorized to take acknowledgments of deeds within the jurisdiction that the person signing the instrument acknowledged before him the execution thereof, or may be proved by an affidavit of a witness to the execution sworn to before the officer.
