

2023–2024 VERIFICATION WORKSHEET FOR INDEPENDENT STUDENTS

Your 2023–2024 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Before awarding Federal Student Aid, the law says that we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information, the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and a spouse (if married) whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.
